To Whom It May Concern:

I inspected the boarding facility, named ' The Cat's Meow Inn', belonging to Tara Langdon on April 14, 2023. The facility was inspected for space, cleanliness, ventilation, sanitation, containment, emergency action plans and shelter. No problems with the facility were found. The design will allow the animals abundant room to exercise and socialize, and can easily house 35 cats.

I am confident that this boarding facility is being competently run and I would strongly recommend a permit be re-issued.
