To Whom It May Concern:

I inspected the boarding facility, named 'Cat's Meow Inn', belonging to Tara Langdon on April 7, 2025. The facility was inspected for space, cleanliness, ventilation, sanitation, containment, emergency action plans and shelter. No problems with the facility were found. The design will allow the animals abundant room to exercise and socialize, and can easily house 38 cats.

I am extremely confident that this boarding facility is being competently run and I would strongly recommend a permit be re-issued.

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Nicole Desautels, DVM
